CELEBRATE INDIA

The red dot can also be seen as a bindi or tika on the forehead. This traditional Indian adornment aligns with the brand's ethos of 'Celebrate India', and symbolises the brand's focus on Indian craft and culture.

modern and minimalist

The use of a clean, sans-serif typeface gives the logo a modern and more approachable feel, which could attract a younger, style-conscious demographic.

The tagline "Celebrate India" is retained, ensuring continuity and alignment with the brand’s vision to celebrate and bring Indian tradition to a global audience.

This represent a break from convention, symbolizing innovation and a new direction, adding an element of intrigue and memorability to the logo.
